VOLUNTEERS NEEDED!

TriviumPrepLunches@gmail.com

The Hot Lunch Program is a 100% PSO run service. That means it is run by US – the parents!

If we do not have volunteers to help in the lunchroom, we will not be able to continue the hot lunch program. We sincerely thank our tireless lunch volunteers who already serve every day to ensure this program continues, but we could use more help.

We ask that if you are able, and if you participate in this program, please serve once a quarter.

IT MATTERS!

Be ACTIVE! Be INVOLVED!

1. Volunteer! Be a Super Parent
2. Connect with other parents
3. Build new friendships
4. Support our scholars' needs
 - Social & Special Events
 - Hot Lunch Program
 - Library Monitors
 - Passive Fundraising
5. Boost faculty & staff morale
 - Appreciation Team
