

Assistant Director Application

Please return your completed application to **Mr. Collins** by **August 21st**. Auditions for middle school will take place the week of August 13th and AD's are an important component during audition week.

Expectations

- **COMMITMENT:** This club will meet during middle school rehearsal, Tuesday and Thursdays from 3:10-5:10. AD's may also join in extra rehearsals as they are available.
 - **DEDICATION:** This club's demands will be more intense than most, because we will rely on you to direct middle school cast and crew. Attendance is mandatory unless you make arrangements with the advisor in advance.
 - **RESPONSIBILITY:** Personal accountability and self-management are part of the skill set that we will develop, so you – not your parents, not your friends, not any intermediary, but *you* – will need to communicate schedule conflicts or attendance updates in all cases.
 - **MATURITY:** The goal of this club is to put you in a leadership position guiding a group of scholars as they prepare a specific part of a stage production. Effectively, you will be taking on the role of a student in one portion of the activities and that of a leader in the other portion. You must prepare yourself to be patient, respectful, professional, and above all else *humble* in all contexts.
