

### **AIMS/AZMerit Testing Begins April 1, 2019**

Trivium Prep will be administering the AZMerit/AIMS state assessment to 6th-9th grade students between April 1 and April 26. Scholars in 6th-8th grades will be tested in Writing, English Language Arts, and Math. Scholars in the 8th and 9th grade will also take the AIMS Science assessment.

The assessments are not timed tests, but must be completed on the day they are started. Since assessments will be taken online, the extended testing window ensures that we are able to spread out assessments so that regular instruction may continue. Please avoid scheduling appointments for your student during their testing times.

On a testing day, please make sure your child has a healthy breakfast and gets plenty of rest so they come to school prepared and comfortable. Please remind your child to take their time, relax, and to do their best work. AzMerit testing should not be stressful to the student. The assessments will help us know how much your child has learned over the course of the school year. Test results do not influence your child's grades in any way.

If your child misses the exam, there will be make-up sessions April 24-26.

<b>Grade</b>	<b>AIMS Science</b>	<b>AzMerit Writing</b>	<b>AzMerit Reading</b>	<b>AzMerit Math</b>
6th		Thursday, April 4	Tuesday, April 9 & Thursday, April 11	Friday, April 12 & Monday April 15
